

# LACUNZA Summer CAMP '08

Friends from around the world!

**Lacunza Summer Camp is housed in an educational centre that includes: dorms (6 beds and closets per room with toilet facilities down the hall), football fields, basketball courts, a fronton, a theatre, game room, multimedia centre and a cafeteria.**

**Our language classes are grouped by age and level with a maximum of 13 students per class. Well qualified teachers strive to make learning exciting and fun while instilling confidence in the students as they develop and improve written & oral skills.**

**The game room provides students with a place to relax and interact with other students outside of class. It is equipped with: foosball, ping-pong, board games, an arts and crafts area, sofas, a stereo system & the Camp Store.**

**A diverse activities programme promotes teamwork, self-esteem and the development of new talents and skills. Activities include: archery, football, basketball, kayak, dance, bicycle riding, Basque sports, LSC Olympics and much more!**

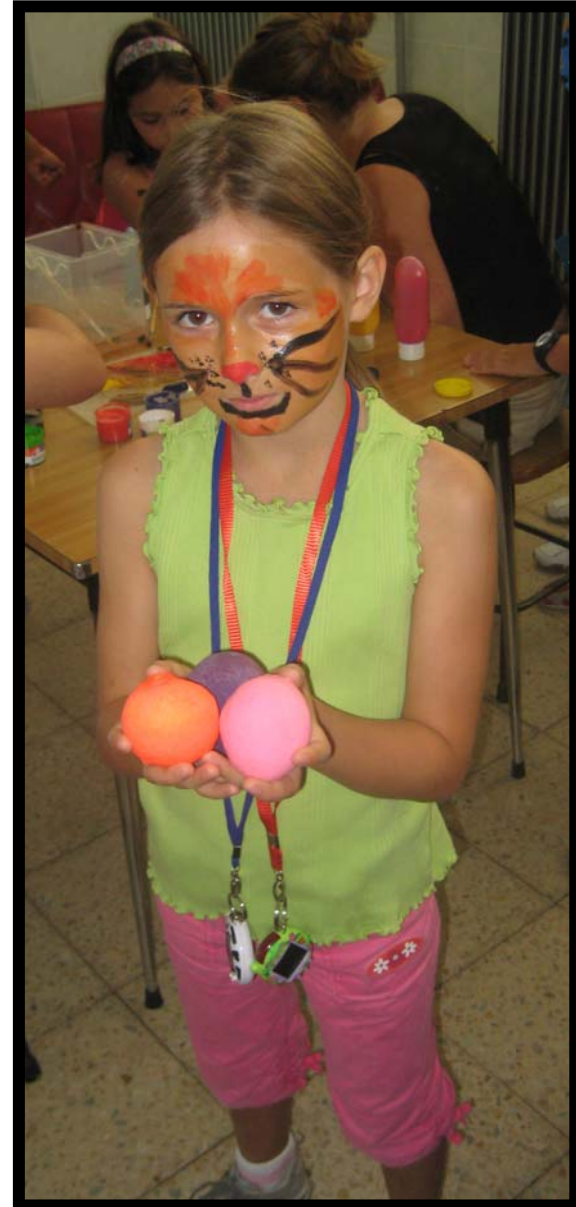

**Excursions and field trips are also part of the LSC experience. These chaperoned adventures allow students to practice the language outside of the classroom while enjoying themselves. Students visit San Sebastian and its beaches, Santa Clara Island, Aqua Park, hike Mt. Igueldo...**

**Learning is a must at LSC. Besides visiting the Science Museum, the San Sebastian Aquarium, the Tolosa Chocolate Museum, etc., our students also take part in educational workshops like street and bicycle safety & first aid.**

**Creativity is welcomed and encouraged at LSC. During arts & crafts time, students draw, paint, sculpt, cut, paste, mold, colour, design and build!**

**The fun continues even after the sun has gone down with cards, games, scary story night, disco night, hide and go seek, cherades, movie night, etc.**
